

## Product Leaflet

### 1213-20PP - T/B 20 WAY PLAIN PLAIN

### Description

### Specifications

- Electrical
  - Current Rating - 10 Amperes max
  - Working Voltage - 500 V
  - Insulation Resistance - 100 M ohms
  - HV Breakdown (to withstand 1 min) - 1.5 KV
- Climate
  - - 40 to + 80 degrees Celsius -
- Reference Standard
- Usage
- Life
- Mechanical
  - Terminals Pitch - 9.5 mm
  - Available in Plain, Solder type, Clip On type, B/f and PCB - terminals
  - Available from 2 to 20 Points strips - 2,3,4,5,6,8,10,12,15,16,18,20
