741-3131 - MICRO SWT.MINI SPDT 5A WITH LONG LEVER

Description

Sub-miniature Micro Switch

Specifications

- Electrical
 - Rating 3A, 250VAC, Contact resistance: <10m ohms and HV: >1.0KV -
- Climate
 - - 40 to + 80 degrees Celsius -
- Reference Standard
- Usage
 - Medical Equipment, Printers, Hand sets, Telecom, defence, automobile
- Life
 - Endurance at rated current @ room temperature - 25000 cycles
- Mechanical
 - Chassis Mounting - 9.5 mm pitch
 - Operating force - 90, 150, 210 grams
 - Pre travel - 0.6 mm max
 - Over travel - 0.6 mm min
 - Movement Differential - 0.2 mm max
 - Available in Solder, Quick Connect and PCB terminals -
 - Available in plain, with lever and lever roller variants -
 - Outer dimensions - 19.9 mm X 10.6 mm
