

CA PA6.6

Features

TECHNICAL INFORMATION

Minimum operating temperature	-40 °C
Maximum operating temperature	125 °C
Colour	Transparent
Self-extinguishing fire class according to UL 94	V2

MATERIAL COMPOSITION AND TREATMENTS

Halogen free	No
--------------	----

LOGISTIC

Type of packaging	; box
Unit in standard packaging	500 PCE
Customs code	85472000

CLASSIFICATION AND DATA ORDERING

ETIM Class 7	Round or flat plug/receptacle [EC000516]
